Chemistry built on consistency

Dobariya Chemtech Pvt. Ltd. manufactures and supplies bromine derivatives from Gujarat, India, serving industrial and export buyers who need reliable quality, batch after batch.

Dobariya Chemtech Pvt. Ltd. manufactures bromine derivatives from our own production facility in Kadi, Gujarat, with corporate offices in Ahmedabad. We're part of the Dobariya Group, which has been building across Ahmedabad since 1989, and that same discipline shows up in how we run our chemical operations: in-house production, consistent specifications, and a straightforward relationship with every buyer we work with.

We work with both domestic manufacturers and international buyers, supplying products that meet defined technical and commercial requirements. Our operations are supported by quality checks, batch-wise documentation, appropriate packaging, and a practical approach to customer requirements, whether it is a regular supply program or a new product requirement.

In-house manufacturing

Production at our own facility in Kadi, Gujarat, not just trading.

Broad product range

31 bromine derivatives across three categories, from bulk to specialty.

Export-ready supply

Export-grade quality and documentation for international buyers.

OUR FACILITIES

CORPORATE OFFICE

522–523, Shilp Epitome
Rajpath Club Road, Bodakdev
Ahmedabad – 380054, Gujarat

MANUFACTURING UNIT

Plot No. 9, Apex Industrial Park
Kadi–Chhatral Highway, Kadi
Ahmedabad – 382715, Gujarat

We are the chemicals arm of the Dobariya Group, which has been building homes and commercial spaces across Ahmedabad for more than three decades. More at dobariya.in.

31 bromine derivatives, three families

Alkyl Bromides in solvents

21 PRODUCTS

Bromoalkanes supplied in solvent form for synthesis and industrial processes.

PRODUCT	FORMULA	CAS NO.	APPEARANCE
1-Bromo-6-methylheptane	$C_8H_{17}Br$	52648-04-1	On request
2-Bromopentane	$C_5H_{11}Br$	107-81-3	Colourless liquid
2-Ethylhexyl Bromide	$C_8H_{17}Br$	18908-66-2	Colourless to pale yellow liquid
7-(Bromomethyl)pentadecane	$C_{16}H_{33}Br$	52997-43-0	Colourless liquid
Ethyl Bromide	C_2H_5Br	74-96-4	Colourless liquid
iso-Butyl Bromide	C_4H_9Br	78-77-3	Colourless liquid
iso-Propyl Bromide	C_3H_7Br	75-26-3	Colourless liquid
Methyl Bromide (Bromomethane)	CH_3Br	74-83-9	Colourless gas
n-Butyl Bromide	C_4H_9Br	109-65-9	Colourless liquid
n-Cetyl Bromide	$C_{16}H_{33}Br$	112-82-3	Colourless to pale yellow liquid
n-Decyl Bromide	$C_{10}H_{21}Br$	112-29-8	Colourless liquid
n-Heptyl Bromide	$C_7H_{15}Br$	629-04-9	Colourless liquid
n-Hexyl Bromide	$C_6H_{13}Br$	111-25-1	Colourless liquid
n-Lauryl Bromide	$C_{12}H_{25}Br$	143-15-7	Colourless liquid
n-Octyl Bromide	$C_8H_{17}Br$	111-83-1	Colourless to pale yellow liquid
n-Pentyl Bromide	$C_5H_{11}Br$	110-53-2	Colourless liquid
n-Propyl Bromide	C_3H_7Br	106-94-5	Colourless liquid
n-Tetradecyl Bromide	$C_{14}H_{29}Br$	112-71-0	Colourless to pale yellow liquid
sec-Butyl Bromide	C_4H_9Br	78-76-2	Colourless liquid
Stearyl Bromide	$C_{18}H_{37}Br$	112-89-0	Colourless to pale yellow liquid/low-melting solid
tert-Butyl Bromide	C_4H_9Br	507-19-7	Colourless liquid

Alkyl Bromides solid and other forms

7 PRODUCTS

Inorganic and solid-form bromides, including acids and anhydrous salts.

PRODUCT	FORMULA	CAS NO.	APPEARANCE
Ammonium Bromide	NH ₄ Br	12124-97-9	White crystalline solid
Calcium Bromide	CaBr ₂	7789-41-5	White to colourless crystalline solid
HBr in Acetic Acid 30%	HBr in CH ₃ COOH	37348-16-6	Colourless to pale yellow liquid
Hydrobromic Acid 48%	HBr	10035-10-6	Colourless to pale yellow fuming liquid
Potassium Bromide	KBr	7758-02-3	White crystalline solid
Sodium Bromide	NaBr	7647-15-6	White crystalline solid
Zinc Bromide	ZnBr ₂	7699-45-8	White crystalline powder

Other Bromides specialty range

3 PRODUCTS

A broad range of n-, iso- and specialty alkyl bromides for diverse applications.

PRODUCT	FORMULA	CAS NO.	APPEARANCE
3-Methylpentyl Bromide	C ₆ H ₁₃ Br	51116-73-5	On request
Allyl Bromide	C ₃ H ₅ Br	106-95-6	Colourless to pale yellow liquid
Isoamyl Bromide	C ₅ H ₁₁ Br	107-82-4	Colourless liquid

QUALITY AND DOCUMENTATION

Each batch is made to the same specification, so what you order is what you receive, every time. These documents are available on request:

TDS

Technical Data Sheet

Product identity, specification and typical properties.

COA

Certificate of Analysis

Batch-specific test results for what you receive.

SDS

Safety Data Sheet

Handling, storage and safety information for safe use.

Full specifications for every product are on dobariyachemtech.com/products.
